MINUTES - REGULAR MEETING
SANTA MARIA CITY COUNCIL

CITY HALL COUNCIL CHAMBERS
SANTA MARIA, CALIFORNIA

OCTOBER 1, 2013

INVOCATION:
Pastor Charles Hofschulte of St. Louis de Montfort Church gave the invocation.

PLEDGE OF ALLEGIANCE TO THE FLAG:
Councilmember Green led the Pledge of Allegiance.

CALL TO ORDER
Mayor Patino called the meeting to order at 6:30 p.m.

ROLL CALL:
MEMBERS PRESENT
Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino.

STAFF MEMBERS PRESENT
City Manager Haydon, City Attorney Trujillo, Director of Community Development Appel, Deputy City Manager Lara, Deputy City Manager Barnhard, Police Chief Martin, Fire Chief Orr, Director of Recreation and Parks Posada, Director of Utilities Sweet, Director of Administrative Services Visé, Director of Public Works/City Engineer Whitehead, Community Programs Manager Coelho-Hudson, and Chief Deputy City Clerk Garietz.

1. PROCLAMATIONS/PRESENTATIONS:

A. PROCLAMATION – DOMESTIC VIOLENCE AWARENESS MONTH
Councilmember Zuniga read a proclamation declaring the month of October 2013 as "Domestic Violence Awareness Month" in the City of Santa Maria encouraging all residents to be aware of the tragedy of domestic violence, supporting those who are working toward its end, and participating in community efforts. The Proclamation was received by Divina Flores, North County Shelter Coordinator.

Ms. Flores informed the City Council of a candlelight vigil honoring victims and survivors of domestic violence would be held on October 21, 2013 at 6:00 p.m. and beginning in front of City Hall.

City Manager Haydon introduced new Deputy City Clerk Beth Cleary and gave an overview of her experience. He also indicated that she would be shadowing Chief Deputy City Clerk Garietz at the dais for the next few meetings in preparation for covering the December 3, 2013, meeting while Chief Deputy City Clerk Garietz attends a City Clerk conference.

2. PUBLIC COMMENT:
David Trenier spoke about street signs and cross walks. His concern is that street signs are only visible upon stopping at intersections or absent altogether. He also expressed concern about improving visibility of cross walk markings.

Mayor Patino asked Director of Public Works/City Engineer Whitehead to look into the matter.

James Eskilson, representing ATG Group, spoke about sight-challenged persons who attempt to use crosswalks in the City. He asked if the City could provide more law enforcement at crosswalks for visually-challenged pedestrians as motorists are ignoring the universal white cane symbol. He asked that the City follow-up on prosecuting violating motorists as a potential deterrent for others.

Mayor Patino asked that Chief of Police Martin speak with Mr. Eskilson to help address his issues.

Kathlene Maas spoke about Riverside Estates. Despite being defined as a zero property line tract, none of the homes in the tract were built with their western wall on the property line. They're all about 3 feet to the east of the line. She presented photos and a map illustrating her point and respectfully asked that the city upgrade the zoning for Riverside Estates.

Mayor Patino asked that she speak with Director of Community Development Appel regarding her issue.

Diane Lapham spoke about Riverside Estates and expressed concerns about her property and property line and her inability to obtain a building permit to build a fence.

Director of Community Development Appel indicated that he and his staff have researched the matter, and have determined that this is a civil matter, and that the community will need to seek legal counsel.

City Manager Haydon indicated that staff would coordinate a meeting with the property owners.

Esperanza Salazar thanked the City Council and spoke about the donations received in support of Luis Santos from Santa Maria High School for his trip to Washington D.C. to participate in The Washington Youth Leadership Seminar that provides the opportunity for students to voice their opinions to national leaders. She said he will be a great role model to other students upon his return.

Mayor Patino and Councilmember Zuniga presented Luis Santos with City pins to congratulate him on his trip.

Luis Santos, representing LULAC, thanked everyone for their support.

Jill Martin spoke about "Peace Week", October 14-20. The week will kick off Monday, October 14 with a free lunch for all at the Abel Maldonado Center. Peace Week will end with the Fiesta of Friends and neighbors at the Boys & Girls Club. Jill presented a flyer with activities for the week.

Ernest Armenta spoke about allegations made by City police officers committing fraudulent overtime. He indicated that the City Council and management staff knew that policies were broken. He asked that the City Council refer this matter to the Santa Barbara Grand Jury for review.

Councilmember Boysen responded that Mr. Armenta should address his allegations with the Santa Barbara Grand Jury or the State Attorney General on his own.

Rosalie Marquez spoke about the various upcoming October events to support Filipino American History Month.

CONSENT CALENDAR:

Councilmember Zuniga asked to comment on Item 3E, and Councilmember Boysen asked to comment on Item 3H.

Item 3E – OTS Sobriety Checkpoint Program
Councilmember Zuniga commented that she's happy to see the City is receiving this grant again. She is encouraged that this, along with increased saturation patrols at sobriety check points, will allow coverage of a wider range of traffic issues.

Item 3H – State Water Letter of Support
Councilmember Boysen commented he served on the Board of Directors as the City Representative for the Central Coast Water Agency. He commented that Santa Maria water is a combination of softer State water and local harder ground water. Santa Maria is allocated approximately 17,000 acre feet of State water per year. The average annual yield is about 11,000 acre feet because there's never enough water to fulfill the demand. He asked that everyone be aware of the importance of the renewal of this contract that was instigated in the 1960's and comes up for renewal every seventy-five years. The City is limited in the financing it can do for any improvements to the state water project as any improvements now would be limited to the remaining 22 years left on the contract. Over the next 5-10 years, as the Bay Delta Conservation Plan is resolved, significant costs could incur in this area. He noted that there is a group in Santa Barbara that would like to not renew the water contract. Santa Maria has already invested $575 million in the state water program. Councilmember Boysen emphasized the importance of supporting the letter and project and reminded meeting attendees that everyone in the County needs to be aware of the importance of state water to the community.

Councilmember Orach indicated that he had a financial conflict and would be abstaining from voting on Item 3C, Warrants.

Consent Calendar Items 3A through 3H (except 3C) were approved on motion by Councilmember Boysen, seconded by Councilmember Zuniga, and carried on the following vote: 5-0.

AYES: Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES: None
ABSENT: None
ABSTAIN: None

Consent Calendar Item 3C only was approved on motion by Councilmember Boysen, seconded by Councilmember Zuniga, and carried on the following vote: 4-1.

AYES: Councilmembers Boysen, Green, Zuniga, and Mayor Patino
NOES: None
ABSENT: None
ABSTAIN: Councilmember Orach

Resolution 2013-88 adopted. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA MARIA, CALIFORNIA, AUTHORIZING AMENDMENT NO. 2 TO A GROUND LEASE AGREEMENT BETWEEN THE CITY OF SANTA MARIA AND ENGEL & GRAY, INC.

H. STATE WATER PROJECT SUPPORT

The City Council directed the Mayor to execute and transmit a letter of support to the Santa Barbara County Board of Supervisors in support of the State Water Project.

PUBLIC HEARINGS:

4. COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM REVISED FUNDING ALLOCATIONS FOR FISCAL YEAR 2013-14.

City Manager Haydon addressed conflicts of interest. He indicated that if a financial conflict of interest exists, the Fair Political Practices Commission (FPPC) requires the Councilmember to step down, state on the record what the conflict is, and to leave the room. He noted that several Councilmembers serve on the Board of Directors for a number of the grant recipients. It has been the Council's past practice to recuse themselves in order to avoid the appearance of a conflict, even if no financial conflict of interest exists; however, if the Council follows that past practice, a quorum of the City Council would be lost. He recommended that each Councilmember make the following disclosures, if applicable: 1) identify the organization they were affiliated with; 2) indicate for the record that they serve on such an organization and that their decision would not be influenced and they could remain impartial; and 3) confirm that they do not have a financial conflict of interest and are participating only to provide a quorum so the Council may act tonight.

Mayor Patino indicated that she currently serves as a non-paid Board Member for Fighting Back Santa Maria Valley, and her service with that board would not influence her decision tonight. She stated that she could remain impartial and unbiased, that she did not have a financial conflict of interest, and that she was participating in order to establish a quorum to allow the City Council to act on this item.

Councilmember Zuniga serves as a non-paid Board Member for Good Samaritan and is affiliated with the Santa Barbara County Sexual Assault Response Team. Councilmember Green indicated that he

serves as a non-paid Board Member to Fighting Back Santa Maria Valley. Councilmembers Green and Zuniga indicated that their service with the organizations would not influence their decisions tonight, they would remain impartial and unbiased, they do not have financial conflicts of interest, and they are serving to establish a quorum to allow the City Council to act on this item.

Councilmember Boysen indicated that he had a financial conflict of interest relating to this agenda item as a paid employee of Good Samaritan Shelter, and that he would be stepping down from the dais. Councilmember Boysen left the Council Chambers at 7:17 p.m.

Councilmember Orach indicated that he had no conflict of interest.

Community Programs Manager Coelho-Hudson gave a presentation as detailed in the written Council Agenda Report. The City Council will conduct a public hearing to receive public testimony concerning a recommendation of the Block Grants Advisory Committee (BGAC) for the revised allocation of Community Development Block Grant (CDBG) funds for 2013-14.

The City Council adopted CDBG program allocations for 2013-14 based on an estimated grant in the amount of $1,173,000 at the meeting of April 2, 2013. The approved allocations were incorporated into an Action Plan document which was adopted by the City Council on May 7, 2013. The Action Plan was then submitted to the U.S. Department of Housing and Urban Development (HUD) as required.

The BGAC did not accept additional applications for public services, but reviewed the applications already submitted which included their recommendation for additional allocations as part of their overall recommendation. A Notice of Funding Availability (NOFA) was issued for capital projects only.

After the City submitted its Action Plan, HUD announced the City will receive $1,339,618, a 14 percent increase over what was anticipated. Since the increase is more than ten percent, and the City had not adopted a contingency allocation for an increase in funding, the City must amend its Action Plan in accordance with its adopted Citizen Participation Plan. Of the overall grant amount, additional amounts will be available of $24,993 for public services, $108,301 for capital projects and $33,324 for general administration. In addition, Life Steps Foundation, Inc., returned their allocation of $4,000 due to discontinuing their program in Santa Maria, increasing the total amount available for public services to $28,993. It was proposed that the funding for two key agencies be increased to the maximum 10 percent cap. Catholic Charities would receive an increase of $2,654 and Good Samaritan Shelter, Inc. would receive an increase of $3,145.

In addition, it was proposed that four agencies receive funding based on either the recommendation of their site visit team or what was allocated in 2012-13, whatever was the lesser of the two amounts. Community Action Commission will receive an increase of $1,000; Community Partners in Caring will receive an increase of $2,000; North County Rape Crisis will receive an increase of $1,000; and Pacific Pride Foundation will receive an increase of $2,000.

Eight agencies were recommended for funding increases greater than the amounts allocated in 2012-13. Alliance for Pharmaceutical Access will receive an increase of $2,000; Council on Alcoholism & Drug Abuse will receive an increase of $1,500; Fighting Back Santa Maria Valley will receive an increase of $1,000; Foodbank of SBC will receive an increase of $2,000; Independent Living Resource Center will receive an increase of $1,000; Legal Aid Foundation will receive an increase of $3,000; Peoples' Self-Help Housing YEEP will receive an increase of $1,000; and SMILE/OPTIONS will receive an increase of $5,703.

With regard to additional funding for capital projects, the BGAC needed more information and site visits to determine the eligibility of funding for the YMCA. They also needed more information on funding for the First Church of God (specifically, a question of separation of church and state). Camp Fire Central Coast will receive $4,450 to upgrade the kitchen in its cabin; Council on Alcoholism and Drug Abuse (CADA) will receive $7,250 to replace the carpet/flooring in their main office/service center; Good Samaritan Shelter will receive $25,000 to rehabilitate the family transitional shelter's restroom (no additional funds will be allocated for this project); and the City of Santa Maria's Recreation and Parks Department will receive $71,601 for Phase 2 of Oakley Park Northwest Rejuvenation Project.

The proposed action is expected to have a positive impact by providing services, facilities, and infrastructure to help the community by providing emergency assistance to homeless and special needs populations, expanding services for at-risk youth, providing opportunities for sustainable affordable housing, revitalizing neighborhoods, improving the community's public facilities and infrastructure, and stimulating the local economy.

Councilmember Orach asked when the City previously received more funding than anticipated. Ms. Coelho-Hudson responded that she didn't think an increase of this size had ever happened, though

several years ago the City did receive a 2.1 percent increase and the census data (part of the formula for calculating the amount of the grant) seems to have finally caught up with the process.

Community Programs Manager Coelho-Hudson stated the purpose of the public hearing was to receive public testimony. After receiving testimony, the staff would recommend that the Council close the public hearing and adopt two resolutions; one for public services and one for capital. She thanked the Block Grants Advisory Committee members for their hard work.

Mayor Patino asked all members of the Block Grants Advisory Committee to stand. Committee members received a round of applause. Councilmember Zuniga asked City Manager Haydon if there was someone who could look into the separation of church and state issue regarding the First Church of God.

Written Communications
There were no written communications.

Public Hearing
Mayor Patino opened the public hearing at 7:29 p.m. and announced that the Council would take public testimony.

Ernest Armenta spoke about quorum issues and the possible conflict between Councilmembers who sit on various boards of the non-profits who receive funding. He recommended that certain Councilmembers resign from the non-profit boards they sit on if the non-profit is on the list to potentially receive CDBG funding. Mayor Patino announced that for all the years she's served on the Board of Fighting Back, this is the first year they've received funding.

John Fowler representing Peoples' Self-Help Housing (PSHH) and the Youth Education Enrichment Program (YEEP) thanked the BGAC Board and the City Council for the increased funding for their project. He gave an overview of the programs offered to youth and the community through PSHH/ YEEP.

Mayor Patino thanked him and PSHH/YEEP for their afterschool programs. She indicated that most families would love to know their children are going to a nice, safe place after school where they receive the attention they need to help them succeed.

Mayor Patino invited BGAC Chair Dickerson to speak about the program. He explained the process of site visits and monitoring financial prudency. He asked that the public understand that volunteers who sit on the committee are selfless, thoughtful, and good honest people who try their hardest to do good for the City. He then thanked the Council for their support.

Hearing no further requests to speak, Mayor Patino closed the public hearing at 7:17 p.m.

Community Programs Manager Coelho-Hudson responded to Councilmember Zuniga's earlier question regarding the CDBG applicant who had issues relating to church and state saying that staff had researched the issues and an explanation was included in Attachment B of the staff report. Some of the items proposed in the organizations application for CDBG funding were items that were not allowed because they were public service items that were not Capital. Some of the items they requested for changes to their property were also being used for religious activity and, in that case, could not be funded.

City Council Discussion
Councilmember Orach spoke of being on the Council for many years and also serving on the United Way Board. He pointed out that many people serving on Boards and in the community become Councilmembers and Board members through their associations and it's difficult to avoid any cross-over. He stated the number of hours and time spent on the committee is to be commended.
